EXCHANGE STUDENTS

Jan Lohrberg is seventeen years old and is a Junior here at Mill River. He is from Germany.

Although his home is in the country, he lives close to a large city. Jan says that Vermont is different compared to where he lives in Germany because it is "very quiet here" and he has more time to do things here such as snowboard, discover new and interesting computer games, go to the movies, etc. Jan plays the trombone and is in the Senior band and Jazz band.

*They Came From Another
Time Zone!*

Alex Tschiersch is seventeen and hails from Hamburg, Germany. Right now he is living in Wallingford and will be returning home on July 1st. He has no brothers or sisters but he does have 2 birds.

In his spare time, Alex enjoys skiing, snowboarding, mountain biking and playing the drums. He says that if he were given the chance to come back to the United States again he would (but not to live).

Adriana Belloso is eighteen years old and is visiting us from Venezuela. Right now she is living in Shrewsbury and is really enjoying school, her friends and her host family. She is experiencing new things during her stay here like four seasons, new kinds of food and her first snowboarding experience. In Venezuela she has two older brothers who live with their father. She enjoys listening to music, watching TV, talking to her friends and blueberries.

DANCES

"You will do foolish things, but do them with enthusiasm."
- Sidonie Gabriella Colette

HOMECOMING

Spirit Week was sponsored by Mill River's Student Council. On Monday, students were encouraged to wear slippers and hats. On Tuesday they were free to clash (their clothing, that is) as much as possible. Wednesday was School Spirit Day and many students wore red, white, and blue to the pep rally which was held that afternoon. On Thursday, we went back in time and students dressed hippie-style. 50's, 60's and 70's day rocked the school. Finally, Friday was not only Formal Day, but picture day too. The dance was held from 7:00 to 10:00 that night. The Homecoming Dance featured the crowning of the king and queen, Arturo Pineda and Winter Page.

We Dedicate this Year's Edition of the Mill River Union High School Yearbook "*Spirit*" to retired Superintendent Henry Burnham

Time moves at its own chosen pace, but few things change more swiftly than the modes, means and needs of the educational community. Whether it be old times or new, times of prosperity or of fiscal belt-tightening, no one in the Mill River Community has seen its passage from the unique perspective of Henry Burnham. Mr. Burnham graduated from Wallingford High School, the institution from which the Mill River School District would eventually grow. Helping to form the Rutland South Supervisory Union in 1974, Mr. Burnham's 23-year tenure as Superintendent stands as one of the most enduring legacies in Vermont public education.

Thank you, Mr. Burnham, for the "Quality" time.
Happy Trails!

WELCOME TO DEAN W. HOUGHTON MEMORIAL GYMNASIUM

Gymnasium Dedication Ceremony

On Thursday January 29, the Mill River gymnasium was dedicated in memory of the school's first principal, Dean W. Houghton. Hundreds of family, friends, colleagues and students attended the reception in the school's Resource Center where there was an impressive display of memorabilia from "Coach" Houghton's long and distinguished career in education and as a servant of the people. Following the reception, a formal dedication ceremony was held in the gymnasium where the prominent signs welcoming guests to the "DEAN W. HOUGHTON MEMORIAL GYMNASIUM" were unveiled.

In this yearbook file photo, then-principal Dean W. Houghton is awarded a game ball in the gymnasium which now bears his name

Out of Time

Dreamland, by Edgar Allan Poe

Another turning point,

A fork stuck in the road... Time grabs you by the wrist, directs you where to go. So make the best of this test, and don't ask why. It's not a question but a lesson learned in time.

It's something unpredictable but in the end it's right...

I hope you had the time of your life.
